Join us for the VERVE RALLY 2019 CHARITY GALA BALL

in aid of Make-A-Wish® UK

The evening's delights begin the moment you enter the reception of Sheraton Grand London Park Lane.

This prestigious evening of glamour, entertainment and giving back is not to be missed.
Meet the movers, shakers and changemakers of the UK along with members of the press.

"When a child is fighting a life-threatening condition, their future is uncertain.
Their whole family's world is turned upside down. That's why wishes are so important.
Once their most cherished wish is granted, a child will see that anything is possible.
It gives them and their family the emotional strength they desperately need to fight their condition and hope to face their future – whatever it might hold."

As our 3rd instalment, this will be an unforgettable night while raising funds for Make-A-Wish UK to create life-changing wishes for children with critical illnesses.

... because a child's life shouldn't be about illness, hospitals and diagnosis -
it should be about wonder, joy and hope.

VERVE RALLY

Running for it's 3rd year, the Charity Gala Ball is brought to you by Verve Rally.

The organisers have experience of running sold out events in London Palladium theatre, the Science Museum, Alexandra Palace and also winning a *"Guinness World Records title for most people attending a business speed-networking event"* for their previous ventures.

With more than 20 years of combined experience in running events in UK and internationally, their initiatives have supported several charities such as: PATT Foundation, Peace One Day, Princes Trust, Global Angels, Cherie Blair Foundation and Make-A-Wish UK.

Verve Rally is proud to be Europe's first carbon-neutral rally. We design, curate and host 5* supercar driving holidays with a group of like-minded people.
